GETTING AROUND NAPLES

METRO SYSTEM

Piazza Dante metro station

Naples is served by three underground lines which cross the city from one side to the other. Beneath the city excavations continue in order to extend the existing underground network and a line will soon connect the city centre with Capodichino Airport.

Naples is also served by three urban railway networks: *Circumvesuviana*, *Cumana* and *Circumflegrea* and by four funicular railway lines (Chiaia, Centrale, Montesanto e Mergellina)

TRAMS AND BUSES

ANM, Azienda Napoletana Mobilità, provides an integrated network of surface transport based on around 105 lines including trams, trolleys, buses and *Alibuses* (fast bus lines).

PUBLIC TRANSPORT APP

An App will help delegates to move around Naples by public transportation.
